

MEET2017

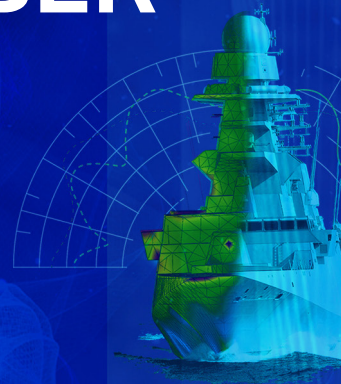

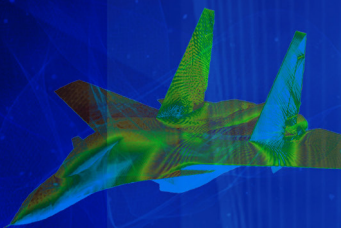

Technical Workshop

www.idsmeet.net

25th SEPTEMBER

*Technical Workshop on IDS's
Core EME Capabilities and
Future Development Plan*

The Workshop will be held at the
Hotel Aurelia Antica
Via degli Aldobrandeschi, 223
00163 Rome - Italy
Tel: +39 06 665 441

WORKSHOP DAY Monday, September 25th 2017

09.30	Technical session opening PLENARY - M. Bandinelli	
09.40	Workshop introduction	IDS EME Future Plans introduction
10.00		Introduction to technical partner solutions
10.20		News R&D / University
10.30	Coffee Break	
	Simulation Applications	Virtual + Physical\Hardware
11.30	HF Simulation Solutions Galileo Suite	Interaction Between Virtual and Physical World
12.00		
12.30	HF EM Scenario Simulation	
13.00	Lunch	
14.30	EMI/EMC on PCB Simulation Solutions	Special Electromagnetic Engineering Applications
15.00		
15.30		
16.00	Coffee Break	
16.30	LF Simulation Solutions	Hardware Applications
17.00		
17.30		
18.00	IDS Wrap-up
